

STATEMENT OF PURPOSE

of the

Northern Laramie Range Political Action Committee

The Northern Laramie Range Political Action Committee is a nonpartisan PAC dedicated to helping elect to public office in Albany, Converse, Natrona and Platte Counties, and in the State of Wyoming, candidates who support long-term maintenance and improvement of the quality of life for all citizens. NLR PAC will support candidates whose policies and actions would

- ▶ help build a diverse and growing economy that provides a variety of business and job opportunities, for young and old alike, in agriculture, industry and services;
- ▶ preserve the special, open-space landscapes that are so much a part of our Counties' and Wyoming's heritage and, in particular, oppose the industrialization of iconic Western mountain areas such as the Northern Laramie Range;
- ▶ respect and balance the property rights of all citizens; and
- ▶ ensure that decisions that affect the whole community are made openly and with a fair opportunity for everyone's voice to be heard.
